CHANGE IN TERMS: We may change the APRs, rates, fees, and other terms of your Account as permitted by applicable law.

CONSUMER REPORTS AND CREDIT REPORTS: By applying, you authorize us to obtain your consumer report and credit report as well as employment and income information about you from consumer reporting agencies and other third-parties to determine your initial eligibility for credit and, if you are approved, for account review purposes, to review your ongoing credit eligibility. If you request, we will inform you if we obtained a consumer report or credit report about you and the name and address of the consumer reporting agency that provided it to us.

NOTICE OF REPORTING NEGATIVE INFORMATION: We may report information about you and your Account to consumer reporting agencies and credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your consumer and credit reports.

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT: To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an Account.

What this means for you: When you open an Account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

MILITARY LENDING ACT NOTICE: Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: the costs associated with credit insurance premiums; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than certain application fees for specified credit transactions or accounts); and any participation fee charged (other than certain participation fees for a credit card account). To receive this information and a description of your payment obligation verbally, please call 833-923-7336.

ARBITRATION NOTICE: If you are approved, the Cardmember Agreement governing your Account will include an arbitration, class action waiver, and jury trial waiver clause which may substantially limit your rights in the event of a dispute. The arbitration clause will not apply if you are a covered borrower subject to Military Lending Act protections noted above at the time your Account is opened.

OPTIONAL SEEN CREDIT PROTECTION

This Product Is Optional: Your purchase of Seen™ Credit Protection is optional. Whether or not you purchase Seen Credit Protection will not affect your application for credit or the terms of any existing credit agreement you have with us.

Explanation of the Seen Credit Protection Agreement:

Seen Credit Protection will either (i) pay your minimum payment due (debt suspension) or, if applicable, (ii) cancel your balance (debt cancellation) in connection with specific eligible events, such as involuntary unemployment, disability, loss of life, hospitalization, medical expense, auto service expense, or natural disaster. [The Seen Credit Protection Terms and Conditions](#) describe each eligible event covered and the associated benefit which may be received.

If the Seen Credit Protection debt suspension benefit is activated, your duty to pay the loan principal and interest to the Bank is only suspended. You must fully repay the loan after the period of suspension has expired. This includes interest accumulated during the period of suspension.

Amount of Fee:

The fee for Seen Credit Protection is calculated based on your new balance depicted on your periodic statement each month. The fee is \$1.69 per \$100, or lesser incremental amount thereof, of your new balance. For example, if you have a \$100 new balance, your fee for that month will be \$1.69. But, if you have a new balance of \$40, your fee for that month will be \$0.68 ($\$40 / \$100 \times \1.69). You will not be charged a fee for any month where your new balance is \$0.

Termination of Seen Credit Protection:

You have the right to cancel your enrollment in Seen Credit Protection at any time and for any reason. If you cancel within the first 30 calendar days of your enrollment, any billed fees will be credited to your account. If you cancel after the first 30 calendar days, no credit will be issued for billed fees.

We may terminate Seen Credit Protection at any time for any reason, including if we have reason to believe you have provided false or misleading information to obtain benefits. If we terminate Seen Credit Protection you will not be eligible for any benefits for eligible events on or after the date of termination.

Eligibility Requirements, Conditions, and Exclusions:

There are eligibility requirements, conditions, and exclusions that could prevent you from receiving benefits under Seen Credit Protection.

You may find a complete explanation of the eligibility requirements, conditions, and exclusions in the Seen Credit Protection Terms and Conditions which will be provided to you if you elect to enroll.
